## DATE IS SETTLED FOR TRIP TO DAM

**Excursion Will Be Run May 10 By Way of Cutter.**

The Elephant Butte dam excursion will leave here for the damsite at 8 a. m. on May 10 and will return at 8 p. m. of the same day. The run will be made through to Cutter and from there to the dam. There will be a stop of three hours at the damsite and an inspection will be made of the works before the excursion returns. Lunch will be served on the train or at El Paso and the train will be back in time for a late dinner. The fare for the round trip will be \$5.50 and accommodations are to be provided for 150.

Secretary Kinne has issued a statement warning the business men of El Paso to fight shy of any combine in an effort to increase the price of supplies for the government work. Where this has been done in other places the government has refused to let the local merchants bid on supply contracts. The government is to conduct a commissary at the dam and will spend from \$3000 to \$50,000 a month for supplies during the time the dam is being built.
